

DRIVE THRU CHRISTMAS DISPLAYS

AT THE PARIS FAIRGROUNDS
SATURDAY DECEMBER 5TH
4PM to 8PM

WHAT YOU NEED TO KNOW

What is a Drive Thru Christmas Display?

Local community groups and organizations will set up exhibits and displays in a family-friendly Christmas theme, just as they would do for the annual Paris Parade. They will remain in place and residents will drive past while listening to holiday music over their FM radio (station t.b.a.).

Can I walk through the displays?

No, public health guidelines say that guests must remain in their vehicles.

Will there be washrooms or food available?

No, this is a drive thru event only but you can bring your own snacks to add to the fun!

How do I get to the displays?

Entry to the fairgrounds will be off of Silver Street. Volunteers will direct vehicles to the display zone. Exit will be left out of the gates to Oak Avenue.

Will there be a cost to see the displays?

No, there is no admission fee; however, cash donations will be greatly appreciated by the Paris Agricultural Society and the Paris Firefighters Club.
